Re: MALCORVIAN v.
REGENERON PHARMACEUTICALS, INC.
Case #: 1:16-cv-01270-TJM-CFH

Dear Honorable Sr. District Judge Thomas J. McAvoy:

Pursuant to Docket # 15 the Court requested that the Plaintiff either submit a status update or file a Stipulation of Discontinuance of Plaintiff's default motion. Therefore, I am writing to update the court as to the parties efforts to schedule a settlement conference.

The Parties have circulated possible settlement conference dates but need to confirm the courts availability for these dates. Once a settlement conference date is scheduled with Magistrate Hummel the Plaintiff will file a Stipulation Discontinuance of her default motion.

It is anticipated that the settlement conference date will be scheduled with the court next week for some time in May. Therefor Plaintiff intends to file the discontinuance of her default motion no later than Wednesday April 19th or such earlier date as the Court may instruct.

Respectfully submitted,

LAW OFFICE OF PATRICK SORSBY
